

The 10<sup>th</sup> annual Pawz in Park will be held on Saturday, October 21<sup>st</sup>, 2023, at Long Leaf Park. Sponsoring this 100% non-profit event will not only help the homeless animal population in this area, and provide medical treatment for many animals currently in foster care, it will also show thousands of animal lovers that you support a cause they believe in.

This event will feature local vendors showcasing their pet friendly wares, food trucks, a beer tent, pet contests, and lots of great raffle items with proceeds benefiting our participating rescue groups.

Many rescue groups will have 4-legged pals on site available for adoption!
